This disclosure contains information about terms, fees, and interest rates for some of the accounts we offer.

CD 180 - 364 DAYS

Rate Information: This Account is an interest bearing account. The interest rate and annual percentage yield will depend upon the daily balance in the account as shown on the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 180 Days - 364 Days. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded monthly and will be credited monthly. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 180 Days - 364 Days. If you withdraw any of the principal before the maturity date, we may impose a penalty of 30 Days simple interest. This account will automatically renew. You will have 10 calendar days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

CD 24 MONTHS - 29 MONTHS
